Dear Friend,

Remember how scared we were to enter high school? But after we learned our way around we found out it wasn't so big after all. It seemed like a big step, and it was.

Remember all the friends we made? We had so much fun showing our Huskie spirit at all the football, soccer and basketball games.

Remember how nervous we were when we were asked to our first dance? But we soon realized how fun it really was.

Remember when you thought that guy in your biology class was cute? We would always giggle! But the next week you liked the guy in your Oral Comm. class.

All these things and many more have been so special to us. I will never forget these precious times. They will not be forgotten.

High School went so fast, but I have years of memories that I will cherish. It seemed like just yesterday when you walked into the wrong class on the first day of school. I wish we could make our last year at Hersey last forever. However, it is time for us to go our own ways. As we do, I hope you never forget all the times we have shared because I know these memories will live with me forever. Like the time you would call me to help you with your homework and we would end up talking about the latest gossip. No, my friend, I will never forget the best years of my life. The memories will stay with me until we meet again. I hope we can keep in touch and look back upon these wonderful years. Take Care of Yourself!

..... Your friend forever

through the years . . .

When Freshman year came
we all seemed so scared,
having to walk through the
halls while everyone stared.

We thought we'd get lost and
never find our way, but
things just got brighter day
after day.

Chorus members of *Mame* add their special touch with song.

Jane Rossi (Vera Charles) shares a wink and a song.

Moments alone are special for young Patrick (Matt Brydenthal).

Mame offers Vera a drink to toast their forever lasting friendship.

Enthusiastic dancers prepare for the "Jitter Bug."

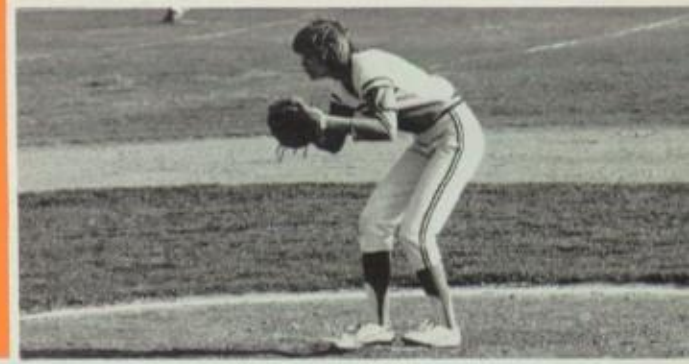

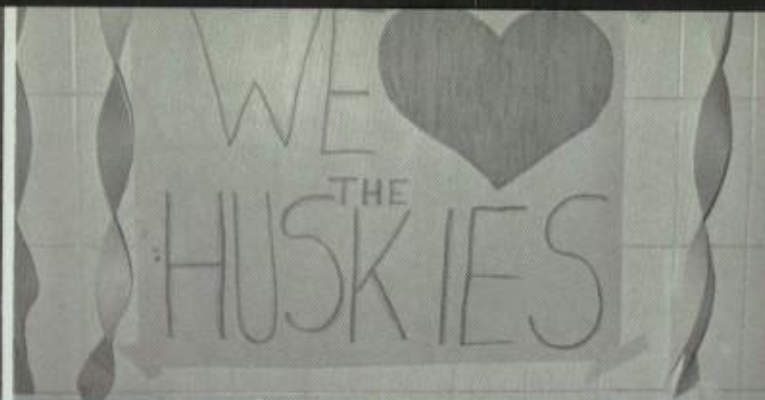

Agnes Gooch (Gwyn Junkel) shows depression and confusion.

As Sophomores we all thought that we were so cool, because we no longer were new to the school

Our classes were tough and the homework unending, but we all seemed to pass and make the time worthwhile spending.

We met new faces as the year came right in, and then Junior year arrived and we began once again.

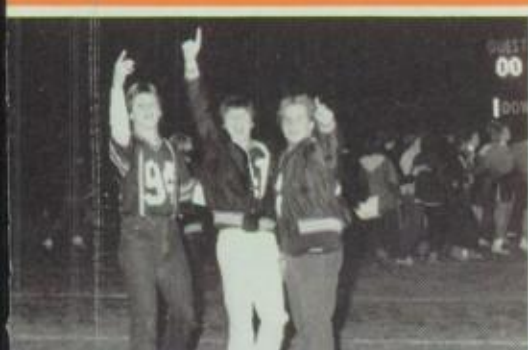

As Juniors we all knew who was who, where we could go and what we could do.

We thought that our first two years were the best, but being a Junior topped all of the rest.

The year was a great one but it moved much too fast, because ready or not, we were Seniors at last.

We all tried to make it the best year of all, it was our last one together and we all had a ball.

There were long lasting memories and many good times, which we all will remember for the rest of our lives.

The Endeavor staff has produced for you,
A year of remembrance and sharing too!

Mame (Elizabeth Bartlow) pours her heart out in singing "If He Walked Into My Life."

Older Patrick (Pete Gutzmer) and college roommate (Pat Troppe) share a letter from Auntie Mame.

Mame tells Agnes how to live life.

On May 11, 12, 13 and 14 Hersey's theatre presented the musical *Mame*. This production concluded the 1982-83 theatrical season amidst the applause of Hersey theatre audiences.

Many Hersey actors contributed to this outstanding production. The principal characters included Elizabeth Bartlow, as that zany character Mame, Jane Rossi as Vera Charles and Gwyn Junkel as Agnes Gooch, who helped add that special life to the show. Supporting characters included MacArthur Junior High Student Matt Brydenthall who played young Patrick, Paul Black as Mr. Babcock, Tom Ruman as Beau, Jerry Kernion as M. Lindsay Woolsey and Cheryl Golemo as Gloria Upson.

Mame was directed by Mr. Bruce Drouin, with the aid of Mr. Edward Moon, Technical Director; Mr. Richard Turasky, Musical Director; Mrs. Camille Baranchik, Choreographer; Mr. Ray Zubler, Orchestra Director; Mrs. Carol Potter, Costume Designer; and Mrs. Dolores Lindgren, Business Manager.

The student production staff included Senior Lynne Snider, Assistant Director; Junior Chris Brydenthall, Stage Manager. Others who contributed much to this show were Jim Anderson, Lighting; Karen Schumacher, Publicity; Kristen Miller Stake, Show Accompanist; and the entire Technical Crew. Many thanks to all who were involved in this production.

Besides Coleen, Lynne Wagner was also named by Coach Pfaender to be one of the year's most outstanding players. Lynne took 4th at Conference in 3rd singles.

All of the girls displayed a lot of team spirit throughout the season. They worked hard and never gave up.

Boys Tennis Swings With Great Pride

The 1983 Boys Varsity Tennis Team contributed to the exciting spring sports season, ending with a 5-6 conference record. The teams' willingness to work together showed in their overall 5th place finish in the entire Mid-Suburban Conference.

The team not only did well as a whole, but individuals also excelled. Sophomore Adam Rosembaum won the conference in his 2nd singles position. Jay Woldenberg, the Most Valuable Player, did well in his 1st singles position, finishing 2nd in conference, winning the singles sectional championship, and going on to state competition.

Coach Jorgenson feels the 1983 team was the best in the four years he has coached tennis. The players proved themselves and worked hard throughout the season.

1983 Girls "Keep on Trackin'"

Ending their season with a dual record of 8-5 and finishing 7th in their conference, the 1983 Girls Track Team had much to be proud of. The foul weather which cancelled many of the early season meets did not effect the ability of the team. Teammates Sandy Thorp, Annette Kjeldbjerg, Terry Schaeftges and Krista Thyreen broke the '79 mile relay record with a time of 4 15.3. Sophomore Maureen Lynch ran a 5 24.27 mile, thus breaking the '77 record. Junior Carol Golemo also broke the 2 mile record she had set in '82 by running an 11 58.0. Freshman Krista Thyreen continued to show her ability all the way to the state meet where she placed 12th in the 100 yd. hurdles.

Total team effort led them to an outstanding "top" in invitational meets as well. The team took 1st at the Cary-Grove Invite and 2nd at the Forest View Invite. The freshman proved they had talent too by placing 1st in both the Lake Forest and Wheeling freshman invites.

One important aspect of every team is leadership and enthusiasm. These were provided by Captains Annette Kjeldbjerg and Ginger Wendt. Constantly pushing the team as well as supporting them were Head Coach Miss Swanson and her assisting coaches Miss Betker, Mrs. Feiza, Steve Kane and Miss Rothgeb.

The 1983 track team was one of the best in recent history. Coach Swanson felt that the girls worked more as a team than as individuals. Hersey track fans have reason to be proud of these girls.

Boys Track Bounces Back In '83 Season

Daryl Addison strides for victory.

Throughout the entire 1983 track season, the boy's team displayed a high level of determination and enthusiasm in route to a 3-4 conference slate and a 6-5 overall record. The Huskies finished an impressive eighth place in conference, a tremendous improvement from a last place campaign in 1982.

As a whole, the team gave a great combined effort and accepted every meet as a challenge. The most memorable meet, and highlight of conference play, was defeating arch rivals Arlington and Wheeling in a triangular meet. Their best performance of the season occurred at the Cary Grove Invitational where the Huskies capitalized on their talent and captured first place for the afternoon.

The 1983 team featured a variety of talented athletes; however, senior Paul Psenka and Junior Brian Bass, performed exceptionally well throughout the entire season. In addition to breaking school records for their respective events, Paul in the discus and Brian in the 330 low hurdles, they were both named co-MVPs for the 1983 season and represented the Huskies proudly in the state meet.

The sophomore team, which also featured fine athletes, concluded an exceptional year with a third place finish in conference. Coach Larry Travis, enriched with underclass talent, is looking forward to a prosperous season next year.

Baseball Slams To Fourth in Conference

The 1982-83 Hersey Baseball Team, coached by Mr. Len Bending, finished the season with an impressive record of 10-9 to place fourth in the Mid-Suburban Conference, and 12-10 overall. Coach Bending was assisted by Sophomore coach Mr. Nitz, and Freshman coaches Mr. Smith and Mr. Lancaster.

Captain Mike Huene, the Huskies pitcher and first-baseman, was named All-Conference and All-Area. Dean Moran, shortstop, was also named All-Conference. Other outstanding players included catcher Rich Wiltse, second-baseman Bob Mnichowicz, and pitcher and outfielder Mike Boyan. Senior Mike Huene was voted Most Valuable Player and Senior Bob Mnichowicz was voted Most Improved Player. However, without the help of the other members of the team, the season would not have been such a success.

Softball Teams Show Promising Potential

Despite a tough season in 1983, girls' softball teams were loaded with spirit and enthusiasm. The Varsity team, coached by Mrs. Holmgren, consisted of seven seniors, four juniors, and four sophomores. The team's overall record was 7-13 and a successful 5-7 in the North Division. Although Varsity did not do as well as expected, they displayed great defensive skills and the players' speed was phenomenal.

Captain Kim Larsen was not only chosen as this year's Most Valuable Player, but she achieved the title of All-Conference as well. Playing the most vital position in the outfield, center, she showed much determination and kept the Varsity team unified throughout the season.

An extreme amount of talent was distributed between Varsity and J.V. this year, and as a result, a new Freshman team was added. Ms. Weadley, a former Hersey softball player, coached the freshmen, preparing them for the Junior Varsity team. J.V. concluded the season with a rewarding record of 9-3. Mr. Foster, J.V. coach, was very pleased with the success of his team, stressing the significance of Michelle Alles' pitching. Overall, coaches agree that all three teams were filled with promising potential and players gained valuable experience.

Gymnastics Team Tumbles Tough!

The 1983 Boys Gymnastics Team had an outstanding season. They placed 3rd in the overall conference and sent three gymnasts to the state meet. These gymnasts did an excellent job maintaining consistency throughout the year. Jim Wilcox competed in the floor exercise, Chris Waller in the All-Around competition, and Tony Muno qualified on high bar, making finals and finishing 5th in the state.

During the season there were many outstanding meets, but the most memorable came in the final home meet of the season against Arlington. The team hit a school record of 154.6.

Jim Wilcox was the team's Most Valuable Gymnast for his consistent performances on the floor exercise, vault, and high bar. The team did a fine job during the season, and though losing many seniors, they look forward to an outstanding future.

Prom 1983

"Now and Forever"

On May 20th, 1983 the 15th annual Junior-Senior Prom, "Now and Forever" marked one of the most memorable events of the year. The dance, starting promptly at 7:00, was held at the Chateau Ritz in Niles.

The most exciting part of Prom was the presentation of Prom Queen Connie Hogan to the invited guests. Also introduced were the members of the court which included Sarah Vazzano, Kathy McGuire, Chris Topalis, and Monica Wendall.

Contributing to the excitement was the variety of music played by the band "Cottonmouth." Their music kept everyone on the dance floor all night long.

The fourteenth annual graduation commencement was held on Monday June 6, 1983 at 8:00 P.M. As the 477 graduating students walked down the aisle to "Pomp and Circumstance", a feeling of accomplishment filled the gymnasium.

Monica Wendell, the Student Council President, began the ceremony with the invocation. The other student speakers of the evening included Sarah Vazzano, Alison Golemo, and Jennie Eck. Joseph Lyon and Robert Winter, both from the Board of Education, presented the diplomas. Several of the graduating students who excelled academically throughout their years of high school received special awards presented by Mr. Goins, the school Principal.

Tears of sorrow and joy were brought about as the graduates returned their gowns and said their final good-byes. Cherished memories of the past four years will undoubtedly remain in the minds of these Hersey graduates for some time.

Many Hersey students got involved in various activities in the spring of 1983. There were numerous clubs, organizations, and teams that were a part of this involvement. Each contributed in their own way to make the spring the best possible.

Club participation was one of the highlights in the spring season. The Drama Club held the exciting Laser Dance which provided a fun evening for the many that attended. The annual Handicapped Olympics were held and sponsored by the S.O.S. Club. Handicapped children were bused to Hersey to participate in all the fun. The band had their trip to Florida where they visited Disney World and the Epcot Center. The Orchesis show was held and proved to be a fun evening for all the dancing Huskies. The *Endeavor* Staff held their third annual yearbook dance. Yearbooks were distributed to all the students who attended. The spring musical *Mame*, put on by the drama students, was also a key factor in a successful spring season.

Organizations also helped do their part in the fun-filled spring. Student Council had a spirit week which included several dress-up days. Included were "Beach Day," "Dress Like a Friend Day," and "Celebrity Day." This week helped the spirit to stay alive throughout the Hersey halls. The Junior Class sponsored Prom 1983, "Now and Forever," at the Chateau Ritz. The evening was very memorable for all.

Along with the different clubs and organizations, the spring athletic teams did their best to keep the Huskies pride alive. The baseball, softball, track, and badminton teams all contributed in making the year a spectacular finish.

All of these activities helped to make the spring of '83 one of the best ever. This spectacular season paved the way for an exciting Fall.

Girls X-Country Starts on Right Foot

The 1983 girls cross country team had a very successful season. The girls earned a conference record of 7-1, and tied for 3rd place with Palatine in the Conference Meet. The team finished in 6th place at Districts.

Although the team didn't make it to the Sectional Meet, Kim Lynch qualified as an individual and placed 13th. The team captured an excellent record of 8-1 for the overall dual meets. In addition, the Huskies not only won the Antioch Invitational, but also placed 2nd at the Homewood Flossmoor, Woodstock, and Crystal Lake invites. The girls placed 4th at Maine West.

Kim Lynch received the 1983 MVP award and the "All-Conference" title was given to Krista Thyreen for the second consecutive year. This year's top five runners were freshman Laura Fremgen and Kim Lynch, sophomore Krista Thyreen, junior Grace Sabo, and senior Carol Golemo.

Boys X-Country Team Upgrades Huskie Tradition With 5-5 Slate

Sophomore Matt Nelson and teammate Al Kjeldberg team up in leading the Huskies to victory.

Packed with experience and a great team attitude, the 1983 boys cross country team finished an impressive 8th in the Mid-Suburban League. The team finished up the 1983 season with an even 5-5 slate, a tremendous improvement from a 2-8 record of a year ago.

Despite the team's respectable record, coach Larry Travis feels his team's success was hindered by a variety of costly injuries to key personnel that prohibited them from reaching their fullest potential.

Nevertheless, this year's pack of runners were characteristically competitive and performed exceptionally well all season while representing the orange and brown. The boys' season was highlighted by their overnight roadtrip downstate to participate in the prestigious Mattoon Invitational where the team captured 11th place out of 30 teams.

The team boasted a variety of talented runners, but one individual, senior Howard Kagay, performed exceptionally well throughout the season. In addition to advancing to sectionals and placing 23rd in Conference, Kagay was named the recipient of the team's MVP award for the 3rd consecutive year.

Overall, the 1983 season proved to be a highly successful campaign, and with a lot of underclass talent, Coach Travis is optimistic about next year.

Lisa Hoffmann Swims Downstate

The 1983 girls varsity swim team, coached by Mr. Dan Young, finished the season with a fine record of 4-6-1. This spirited team consisted of four freshman, three juniors and three seniors.

There were many key people during this year's season. Seniors Lisa Hoffmann, Amy Behnke, Annette Kjeldberg and freshman Janet Bogda contributed in a special way to this year's enthusiastic team. Senior Lisa Hoffmann, who went downstate freshman year, repeated that performance and qualified in the 50 freestyle for this year's state meet. Lisa was also honored by being selected for the Paddock All-Area Team.

Diver Annette Kjeldberg performed well this year and led the diving team. Annette took 3rd in conference, 3rd in sectionals and missed going downstate by .2 of a point. Also contributing to the diving team efforts were Heidi Hoffmann and Susan DeLator. They helped the Huskies to Victory.

Although this year's record was better than last year's, Coach Young commented that many of the girls improved making the possibility of an even better season in 1984.

The Varsity Soccer team kicked its way to an outstanding record this year, posting a conference record of 6-6, with an overall record of 6-10-1. The team's record enabled the Huskies to finish fourth in the Mid-Suburban league.

Lothar Koeppler and Erich Quidzinski took All-Conference honors. Erich also took, for the second year in a row, All-State honors. This is quite an accomplishment since never in Hersey soccer history has any one player captured this honor two years in a row.

According to Coach Jasinski, the team could have done better if Reyhan Hurdogan didn't get hurt early in the season against Wheeling. This was considered a major setback to the team, since it shuffled the team's starting lineup.

Nevertheless, the talent and skill of the team highlighted a very successful season.

Soccer Cheerleaders Show Mega Spirit

Judie Maram and Pam Vanella take time out for a quick break.

The 1983 Soccer Cheerleaders enthusiastically cheered the soccer team to victory. They kept the Huskie spirit alive by displaying pep and enthusiasm at every game. The cheerleaders also kept the teams' spirit alive by baking cookies and decorating their houses.

The squad elected Pam Vanella as Captain and Jeannine Cook as Co-Captain. The rest of the squad which consists of Lee Brownstein, Hildi Diefenderfer, Barb Horstman, Chrissy Juretzko, Prisca Kolkowski and Judie Maram all worked together to make this the best squad ever. Once again Miss Mary Kay Nellis was the sponsor and deserves many thanks for all her help.

Never giving up—that was the attitude of the 1983 Huskie football team. With leadership from the seniors on the squad, the Huskies finished in a tie for third place in the MSL conference with a 5-4 record.

The Huskies started their season off right with a nonconference win against Main South, 18-7. The second game of the season found the Huskies pitted against MSL South champ, Conant, losing 35-12. Two more defeats followed as the Huskies lost to Wheeling (20-7) and Buffalo Grove (42-6). Their losing streak came to halt as they beat Palatine, 13-0. In what Coach Bruce Glover called the most important game of the season, the Huskies beat the Fremd Vikings 28-21. He said it came at a time when the Huskies really needed another win. After losing to Barrington 17-0 in the pouring rain, the Huskies played their most exciting game of the season against Arlington. With three seconds left on the clock, the Huskies held the Cardinals on the Hersey one yard line for a victory. In their last game of the season, the Huskies ended with pride by beating Rolling Meadows 24-7.

Head coach Bruce Glover stressed a running game this year, with senior tailback Brent Felitto leading the pack. In his third year as a varsity football player, Brent rushed for 795 yards, averaging 4.7 yards per carry. Brent finished his career by becoming the leading rusher in the school's history with a total of 1322 yards. He was selected to both the All-Conference and Second Team All-Area.

Also leading the Huskies was Ed Pugliese. Ed not only helped the team with his leadership, but also with his running and blocking. As a fullback Ed had a total of 382 yards, averaging 3.9 yards per carry.

Senior linebacker Jay Koziol, who led the team with 107 tackles, was selected to All-Conference and Second Team All-Area. Coach Glover called him the "spirit of the team."

The comeback-of-the-year award belongs to Dewey Martinelli, who missed last year because of a shoulder injury. Dewey returned to play linebacker and was named to the All-Conference team.

Other outstanding seniors were Scott Krahn, Kyle Weller, Steve Tardio, and George Limperis. Outstanding juniors were Park Netherton, the team's leading interceptor, and Jim Esczuk, the team leader in sacks.

The Most Valuable Player this year was Brent Felitto. Special awards were also given to Ed Pugliese and Dewey Martinelli. Ed was given the Steven Gates' Memorial Award for sportsmanship and Dewey was given the Kurt Thyeen Memorial Award for courage.

Talent, pride and leadership were the main key to a successful season this year. The 1983 Huskies should be commended for a job well done.

Cheerleaders Keep The Fans On Their Feet

The 1983 Football Cheerleaders kept the spirit alive and the fans on their feet this year. Complimented by a successful football season, the cheerleaders were able to keep the drive alive and really give it their all. Even on those heart-breaking losses, the cheerleaders never gave up hope, encouraging the crowd with shouts of, 'Huskies! Huskies!' The spirited cheerleaders even endured poor weather conditions and cheered the Huskies on during a steady downpour at Barrington.

Fall Club, now in its sixth consecutive season, is still the only male cheerleading squad in the Mid-Suburban Conference. This year's squad, consisting of many first-time members, continues to add new life and variety to cheerleading.

The cheerleaders, sponsored by Mr. R.J. Hannon and Mrs. Bridget Lucas, not only cheered at the football games, but also sold Homecoming mums on the day of the big game, and decorated the football players' houses the night before.

Wendy Erikson and Joe Leonardo, Captains of the Varsity squad, worked together to make this season a complete success. Special recognition also goes to the captain of the sophomore squad, Denise Quarino, and of the freshman squad, Barb Fogel for a job well done.

Come One Come All to Coronation 1983

On Friday, October 30, 1983, the annual Homecoming Coronation was held at 1:00 p.m. in the gymnasium. Beneath a sparkling red and silver big top, the Master and Mistress of ceremonies, Dewey Martinelli and Judie Maram, announced the final decision. The crowd sent up a cheer as Carolyn Kersemeier and Brent Felitto were crowned the 1983 Homecoming Queen and King.

The Queen's court consisted of Princesses Karen Bartmann, Wendy Erikson, Suzanne Karnatz, Kelly Lynch, and Renee Miles. Princes included Jay Koziol, Scott Krahn, Erich Quidzinski, and Herb Washer.

Each class was represented by a selected attendant. This year's attendants were Junior Lori Scacco, Sophomore Dawn Snow, and Freshman Kim Karnatz. The pages for this year's ceremony were Molly Lynch and Jimmy Bielanski.

Entertainment was provided by On Stage, under the direction of Mr. Turasky. Their selected songs, "My Music" and "We're Gonna Make It To The Top" added the perfect touch to a spectacular event.

The construction of the big top was the work of both the Senior Class Representatives and the Varsity Club. Many thanks should go to both groups and their sponsors Mr. Paul Christmas, Mr. Pat Tuttle, and Mr. John Lucas. The breathtaking big top will long be remembered by all those who attended. Many felt that this year's Coronation Ceremony was the perfect ending to an exhilarating week.

Students Clown Around "Under The Big Top" at Homecoming 1983

The 1983 Homecoming Week held from September 26 to October 1, was celebrated with the theme "Under the Big Top." Many exciting events occurred during this week as the various students and clubs participated in these activities.

On Monday, many students became involved as they dressed up for "Mash Combat Day". During the lunch hours an arcade was formed by the Student Council. Cotton candy was sold in the school store to hungry students. The lunch room games consisted of Buzo Buckets, Wet Sponge Throw, Knock the Cans off the Table, Dime Throw and Ring Toss. These games took place throughout the week. After school the numerous clubs decorated the halls to form a scenic world "Under the Big Top."

Tuesday began another fun day. The students dressed every which way but the right way on clash or backwards day. The baby face and legs contests began and the students voted for the king and queen of their choice.

Everyone punked out on Wednesday and showed their new wave fashions. Powderpuff was Wednesday night as the senior team, the Rowdies, captured the #1 title. Players who didn't play in powderpuff joined in the fun by competing in "Almost Anything Goes."

Coinciding with the theme, Thursday students dressed up for Clown Day. Balloons were picked up at the school store by friends who received special messages the day before.

Friday was a day of excitement as the Homecoming Coronation took place. During the day the students became involved with the spirit of homecoming as they dressed in the school colors. The tension was building as the day came to a close. Brent Felito and Carolyn Kersmeier led the excitement as they were crowned king and queen. To end the perfect day to the perfect week, the car rally took place with much excitement. Friday night was the homecoming football game where the Huskies fought hard but were defeated to Buffalo Grove.

Saturday the dance was held and many happy couples danced to the music of Cotton Mouth. As the evening came to a close, the couples recaptured the special moments of that evening and the past week. All will remember those cherished memories.

“Rowdies” Big Winners at Powder Puff

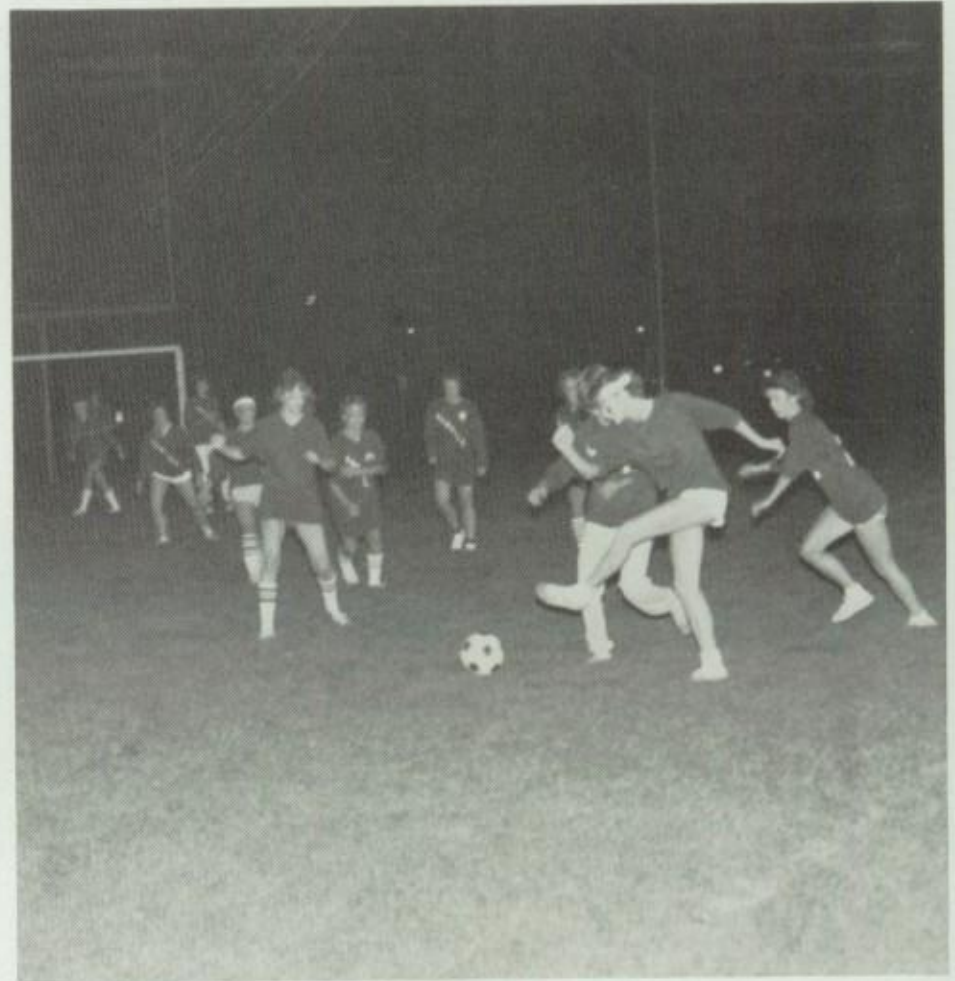

Adding to the exciting festivities of Homecoming Week was the annual Powder-Puff game. The event started at 7:30 and lasted until 9:00. The first game involved the Junior teams, and placed the “Q Crew” against the “No Shows”. Both teams showed a tremendous amount of effort as they went into overtime. In overtime, Denise Liberty of the “Q Crew” scored the goal in the “kick-off” to win the game.

In the second game the two Senior teams, the “Rowdies” and the “Brewsers”, showed an awesome display of skill as they battled for the win. With two minutes left in the game, Carol Golemo scored a goal to win it for the “Rowdies”.

The last game was the Junior team “Q Crew”, coached by Erich Quidzinski and Mike Barrett, against the “Rowdies”, coached by Rayhan Kadiroff and Ralph Stocker. The teams both played full force and went all out in this game. Ann French from the “Rowdies” scored the goal that lead the “Rowdies” to a 1-0 victory.

During the game, “Almost Anything Goes” took place on the sidelines. Each team had a lot of fun as they passed the popcorn, raced on tricycles, and tried to beat the clock while they passed marshmallows and bananas. The lucky team to win was team number four. Their rewards for doing such a good job were suckers and toy whistles. All in all, it was an evening of fun for everyone.

Football/Soccer Add Excitement to Homecoming Week

The 1983 Homecoming football and soccer games were two of the exciting festivities of Homecoming Week. On September 30, the Huskies' football team was ready for action against the Buffalo Grove Bisons. With a disappointing score of 42-6, the Huskie team put forth a tremendous effort. The lone touchdown was a spectacular pass by Dave Kioseff caught in the endzone by Scott Krahn.

On September 27, the soccer team played the Wheeling Wildcats. Although the team was defeated, 5-2, the game was very close. The two scorers of the game were Lothar Koepler and Erich Quidzinski.

Even though our 1983 Homecoming record was not very victorious, we were still proud of both of our teams. They really played their hearts out.

Homecoming Couples Boogie "Under The Big Top"

Adding the perfect touch to an event filled Homecoming Week was the 15th annual Homecoming Dance. The dance was held on October 1, 1983 from 8:00-11:00p.m.

Thanks to the hard work of Varsity Club and the Senior Class, Hersey's gym was all a glow "Under the Big Top." The beautifully decorated gym was filled with couples rocking to the variety of music provided by "Cottonmouth." The highlight of the evening was the presentation of the King and Queen and their courts to take the traditional dance.

Audience Applauds 'Death of a Salesman'

On October 20, 21, and 22 at 8 p.m. the 1983 theatrical season got off to a great start with Arthur Miller's Pulitzer price winner *Death of a Salesman*. The production was under the excellent direction of Mr. Bruce Drouin, with technical direction by Mr. Edward C. Moon.

The play surrounds the last days of Willy Loman, a salesman searching for reasons why he failed to achieve happiness and success. It was a drama of human tragedy.

Senior actor Lars Pasternak, a veteran of the Hersey theater for four years, played Willy Loman. Lars' brilliant performance was enhanced by Jim Pluskota as Willy's son Biff. Cheryl Golemo took the part of Willy's wife, Linda, and Matt Carlson played their son Happy. Making their debuts on the stage were Chris Tenenholtz as "The Woman," and Ron Olsen, a transfer student from Chicago, as Charley. The role of Charley was double-cast with Ken Kand alternating. Efficient help was given by Kristen Miller as Student Director and Nancy Zeitler as Stage Manager.

Hersey Hits it Hot in the Fall

Hersey's 1983-84 school year started with a hot fall season with the football and soccer teams winning their first games. Many other teams added to the enthusiasm. The cross country teams sent their fast paced runners to conference. The golf team discovered great putters to defeat opposing teams. The swim team sent their best swimmers diving to victory, and the volleyball team kept their efforts and talents high to end their season with success.

Fall was filled with a variety of activities. The early homecoming added a week of funfilled events for everyone to enjoy. Adding color and entertainment was the Hersey Band, Pomberets, Colorguard, Cheerleaders, and Fall Club. Contributing to a spectacular fall season was Hersey's production of *Death of a Salesman*.

Sport events, spirit week, and other activities were the highlights of the fall. However, school work and studies started students concentrating on good grades and goals to reach. Furthermore, students and faculty alike all had a positive attitude to direct them to a great year.

Coach Holmgren commented that even though the 2nd, 3rd, and 4th doubles teams were the most consistent, the 2nd doubles team of Gina Lucibello and Cindy Koscak played the best together. Holmgren also stated that considering that the singles were overmatched, they all played quite well. The most outstanding singles player this year was Donna Besier.

Although the season record was not very rewarding, Holmgren added that she enjoyed working with the girls because they were always enthusiastic and they were never intimidated. The 1984 team looks promising with four returning juniors and seniors and many hard-working underclassmen.

The Hersey Golf Team had a tough, yet exciting season, resulting in a record of seven wins and eight losses. This season's top four golfers were John Brandeis, Bill Seagraves, Rob Gallay, and sophomore Sumie Abdishi.

The team's best performance this year was at the Decatur Invite where they finished sixth out of a power-packed field of twenty teams. Team captain John Brandeis, was voted M.V.P. this year and the most improved honors went to Rob Gallay. Top average this season was also held by John Brandeis with a 39.9. Brandeis was followed closely by senior Bill Seagraves with a 41.4 average. The overall team average was 162.4.

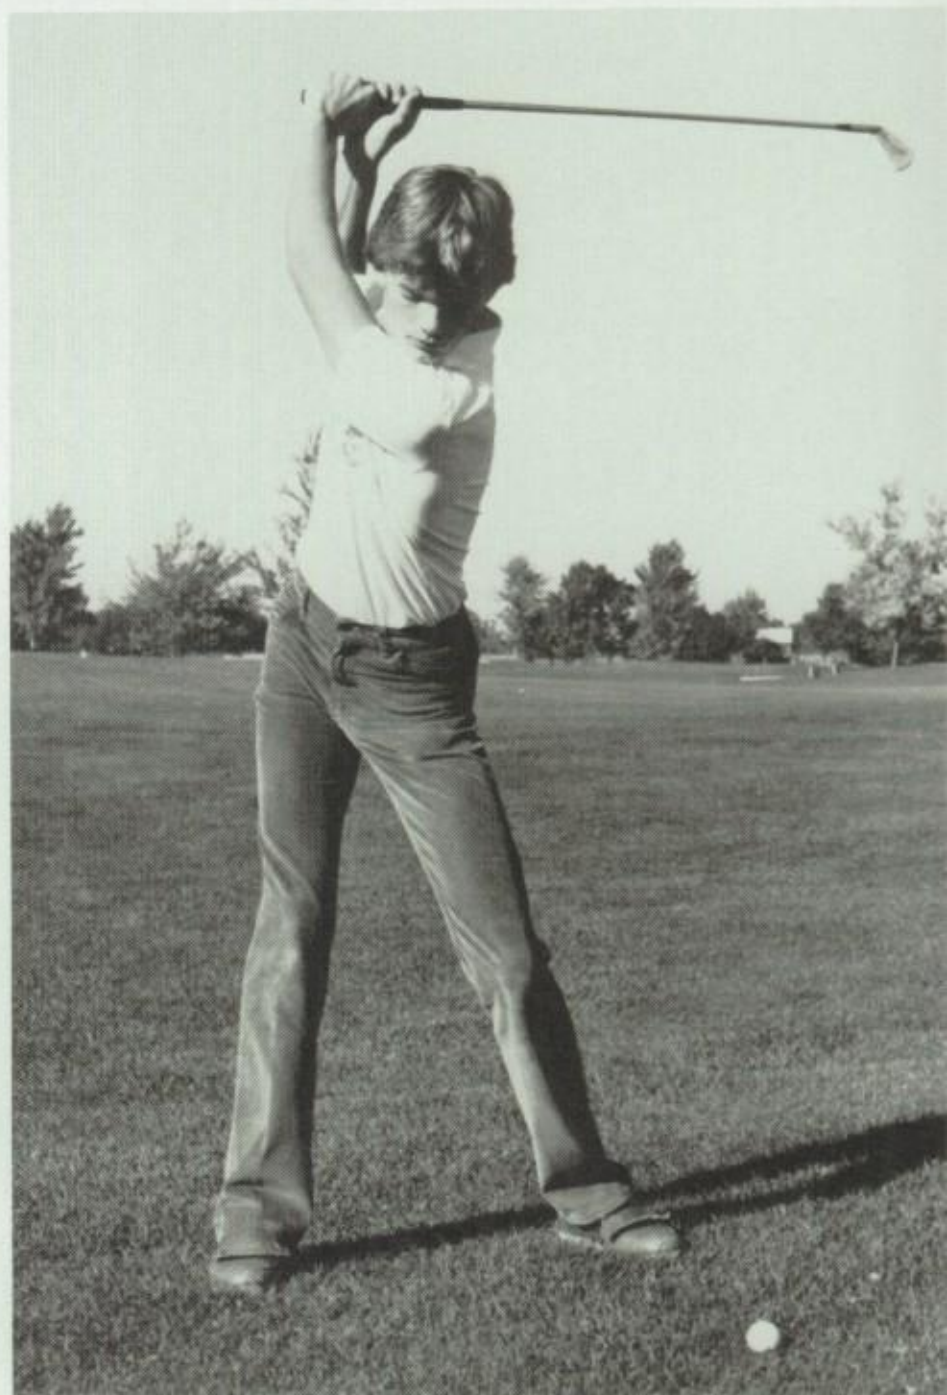

The golf team shows great promise for the future with three returning Varsity lettermen: Sumie Abdishi, Dan LeClaire, and Garren Zuck. Coached by Mr. Al Kintzle, the Varsity Golf Team showed great consistency and talent throughout their tough season.

Spirit Is Key To '83 Girls Volleyball Team

The Varsity Volleyball Team demonstrated true spirit and togetherness during the 1983 season. The team, coached by Miss Betsy Betker, consisted of two seniors, captain Carolyn Kersemeier and Anne Boettcher. These girls displayed leadership and determination throughout the season. Also among the team were six juniors: Natalie Simons, Peggy Meyer, Lori Zelek, Sue Fogarty, Dawn Galla, and Nancy Hawes. The two sophomores were Donna and Denise Eichhorn.

After completing a tough season in the North Division and competitive team play in four tournaments, including one in Madison, Wisconsin, the team ended the season with a 3-13 record. Coach Betker commented that this year's team, not having many seniors, went through a learning experience for next year's season.

The Junior Varsity Team tied for 1st place in the North Division and had a winning season with a 13-3 record. The freshmen also came through with a record of 10-6. This year's young team has a positive outlook for 1984 with six returning seniors and two juniors with Varsity experience. Overall, the girls volleyball team played tough and had many close matches.

“Thieves’ Carnival” Captivates Audiences

Paul Black as Peterbono prepares to pickpocket Lord Edgard (Ken Kand).

Juliette (Jill Erikson) awaits Gustave’s (Jim Cella) answer.

The production of *Thieves’ Carnival* by Jean Anouilh was presented on December 14, 15, 16, and 17 in the Hersey theater. This production provided the audience with an evening of exciting comedy. Not only were the characters acting on the stage, but the audience was seated on the stage as well, giving the effect of being a theater in the round. Each night was a successful sell-out.

The characters consisted of three thieves of great adventure and different roles of personality. Pat Troppe as Hector, followed by Paul Black as Peterbono, and Jim Cella as Gustave, gave the audience a well-rounded performance. Other outstanding acting came from Ken Kand as Lord Edgard, Dede Reznick as Lady Hurf, and her nieces, Jill Erikson as Juliette, and Lynette Hardy as Era. The great father and son duet of Steve Wexler as DuPont-Dufort Senior and Ron Olsen as his son DuPont-Dufort Junior. Angela Gupta, as the musician, added that special touch with her violin. The remaining characters were played by Laura Sherman, Sandi Nemes, Lisa Beth Robinson, Tania Mason, and David Robinson.

The student production staff included Diane Lunaberg for her services as the Assistant to the Director, and Stage Manager Dina Carani.

Many thanks goes to those who helped support this production. Special thanks to Director Mr. Bruce Drouin and Technical Director Mr. Edward Moon for producing this entertaining play.

... A Merry Christmas greeting from A.F.S.

Santa and his helper come visit Hersey students during the holidays.

Smiling Huskies filled the gymnasium to celebrate at Hersey's annual Christmas Assembly on December 21, and a celebration it was! A great amount of effort and hard work was shown by devoted Huskie through outstanding and entertaining performances.

Among the several groups that contributed tremendously to the assembly were the Pomberets, Orchesis, Winter Guard, On Stage, Choir, Student Council, A.F.S., and the faculty.

All dressed up in garland and frills, both Pomberets and Winter Guard performed to holiday tunes, supplemented by two consecutive numbers done by Orchesis. Keeping up the fine tradition were On Stage and Choir. On Stage performed the phenomenal "Fruitcake," closely followed by the Choir and faculty taking the lead in the annual "Hallelujah Chorus" accompanied by the band. A.F.S. gave their definition of "Merry Christmas," and Student Council acted out a charming and original skit. The fun-filled hour, with laughing, dancing, and singing, proved to be a great success!

This year's Turnabout Dance, held on Wednesday, February 15, 1984, proved to be one of the winter season's greatest events. The band "Frequency" provided a great variety of popular hits and favorite oldies. Everyone rocked from 8-11 p.m. in the Hersey cafeteria, which was appropriately decorated for the occasion.

The highlight of the evening came with the crowning of this year's "Mr. Irresistible", Jay Koziol. The rest of the Turnabout Court included Scott Krahn, Rob Lococo, Dewey Martinelli, and Kyle Weller. These five "Irresistibles" were elected by the senior class the week before, and were introduced at the dance by Sophomores Sue Barfield and Debbie Logan.

The 1983-84 Hersey Wrestling squad battled through a tough season ending with a dual meet record of 3 wins and 11 losses and a conference record of 1 and 5.

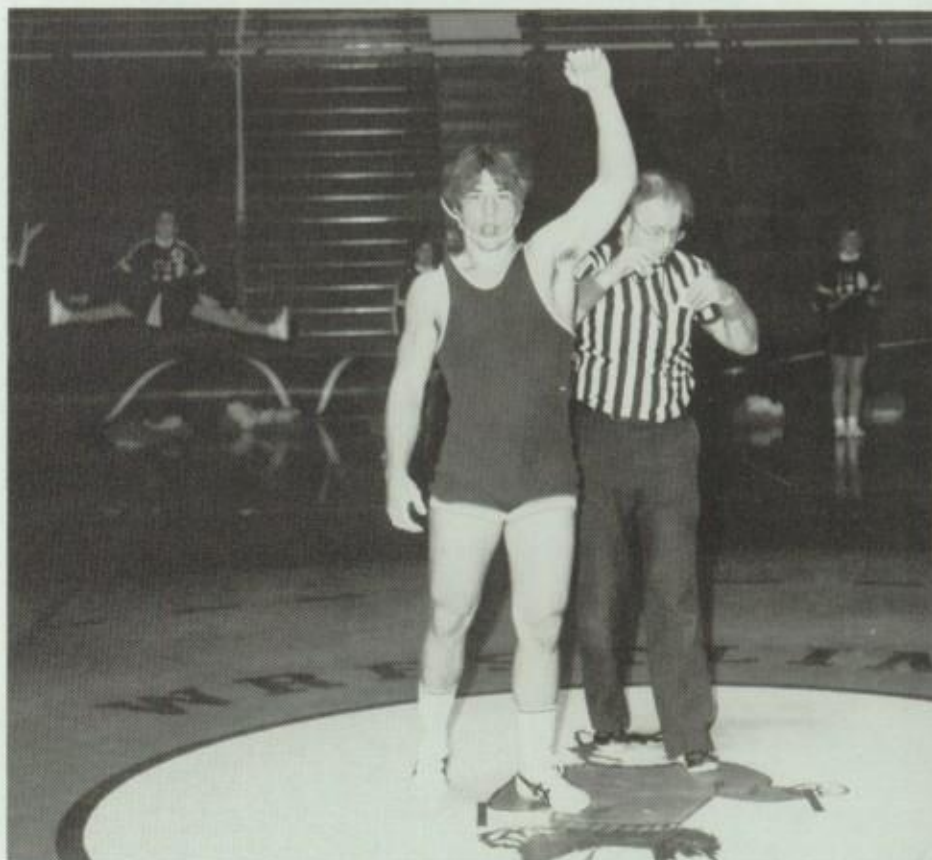

The most exciting meet this year for the team was their last meet against Arlington. The Huskies prevailed in this final wrestling competition between the two schools.

Top conference finishers for this year's squad were Bob Schoonover with an impressive second and Carlos Montilla and Dan Whittemore both with fifth place finishes.

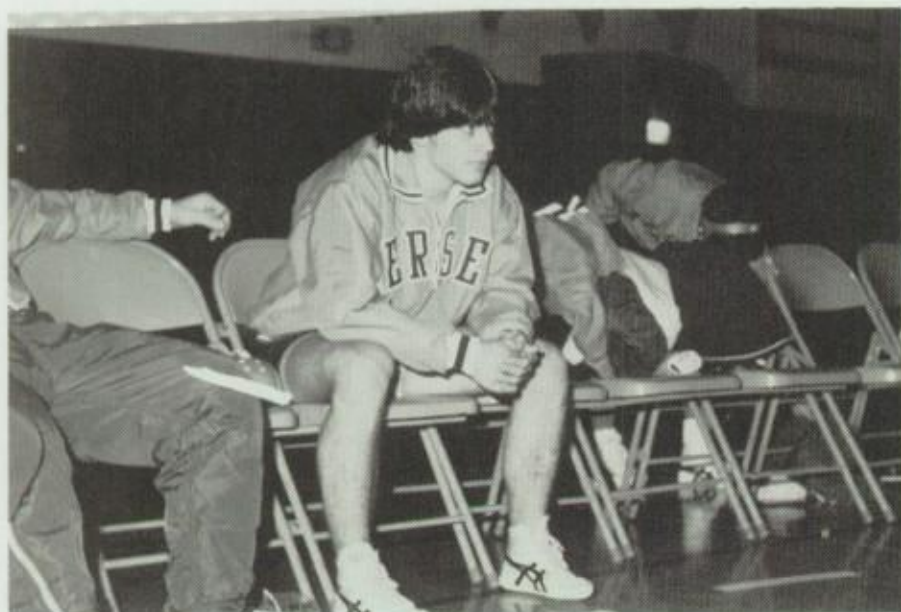

Although a young team, Mr. Mann had five seniors who worked hard for him all year. These five were Bob Schoonover, Dan Whittemore, Mike Murphy, and captains Tim Watters and Carlos Montilla. Mr. Mann feels that the team will be tough next year due to the fact that he will have seven returning underclassmen with varsity experience from this year.

The 1984 wrestling cheerleaders added much enthusiasm and school spirit to every meet. Wrestling cheerleading requires a lot of time and hard work. The girls practiced four hours a week to prepare for the meets and to fire up the fans.

In addition to all their practicing and cheerleading, they were also involved in other activities. They decorated houses, painted signs and made baked goods for all the hungry wrestlers.

Even though the girls did not have a sponsor this year, the team really showed great cooperation by working well with Captain Chrissy Juretsko and Co-Captain Sue Pavetto. The wrestling team appreciated the great support, effort, and hard work the cheerleaders put into the wrestling season!

GIRL GYMNASTS CAPTURE STATE!

After three years of qualifying for the State Meet, but never quite making it to the top, the girl's gymnastics team finally proved that they are number one! The girl's gymnastics team captured the 1984 Illinois State Championship.

Under the superb coaching of Mrs. Linda Feiza and assistant coaches Mr. Don VonEbers and Miss Sue Couve, the Huskies had a winning season of eight wins and one loss. Their only loss of the season was to Fremd, whom they eventually surpassed in the Regional, Sectional, and State meets.

Being led by Co-Captains Sue Konrad and Dina Fauceglia, the Huskies not only became State Champions, but they also set a school record for the most points ever earned in a meet with the score of 145.5 points. This earned them a tie for the Conference Championship.

Special recognition should go to the six girls who competed at the State meet. Besides Sue Konrad and Dina Fauceglia, Juniors Jami Drake and Susie Gotham, and Freshmen Colleen and Georgette Podlin deserve acknowledgment for their performances. Together they earned the title of State Champions. On an individual basis, Sue Konrad placed 9th on vault, Colleen Podlin placed 7th on

beam, and Georgette Podlin placed 9th on bars, 10th on beam, and tied for third in the all-around.

This year's Most Valuable Gymnast award went to Senior Sue Konrad who has spent the past three years as a Varsity contender. Sue provided leadership, strength and confidence for the team, and she will be missed by all of her teammates.

Though the loss of Seniors Sue Konrad and Marianne Samborski will present a setback, Coach Feiza has definite hopes of remaining in contention for the State Championship in years to come. Because of the talent and leadership of the underclassmen, the future of Hersey's Girl's Gymnastics is very bright. This year's J.V. Team took the Conference Championship and the Freshmen took second in their Conference meet.

With the ability and talent of Hersey's younger gymnasts, it is obvious to many that the gymnastics team has only begun to show its championship potential. Hersey has made its mark on Illinois Gymnastics and in the future people will look to Hersey when they want to see a winner.

Boys B-ball Team Shines in Post Season Play

A new coach's emphasis on a positive mental attitude gave the Huskies an added dimension on Hersey Basketball and winning. Although the team got off to a slow start, their season ended with a bang as the Huskies won the last four out of five, including its first regional title in eight years. Coach Don Rowley said he would not allow the team to get discouraged about their 6-17 season. "I kept telling them they were a better team than their record showed. Except for three games, our losses were close. We made the other teams earn their victories."

The Huskies went farther into the playoffs than any Hersey team had gone in the past eight years. They started by setting a school scoring record, defeating Notre Dame 102-84. The Huskies then earned the regional title by beating Wheeling 67-65 in overtime. With renewed confidence, they rolled to victory over Maine South 73-70 in the opening game of the Sectionals and became the "Cinderella" team of the 1984 State Tournament. Going into the finals of the Sectionals the Huskies had won their last four games. Unhappily, the winning streak came to a halt as they were pitted against Evanston, the number one team in the state, losing by a narrow 83-75 margin. The Huskies ended their season with a 9-18 record.

This year's captains were seniors Scott Krahn and Brent Felitto. Scott not only was a team leader but also was the leading scorer, averaging 13 points per game. Brent displayed excellent sportsmanship for which he received the

Jim Thomas Sportsmanship Award. Another outstanding senior was George Limperis. George was the team's best defensive player, as well as a leader on the court. Next year's team will miss the assistance of seniors Bill Mueller and Steve Tardio.

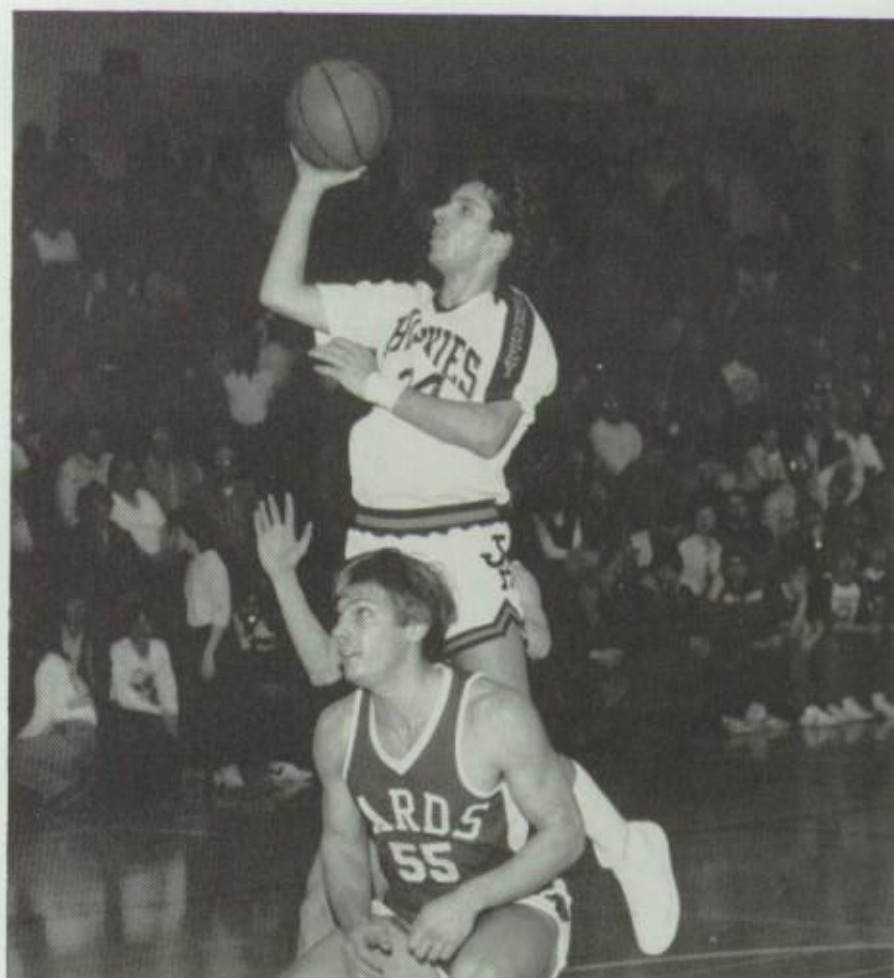

Although the seniors helped the squad, next year's team will have the experience of the returning lettermen. Junior starter Rick Hall was a key player this year. He was second highest scorer and leading rebounder for the Huskies. Another important junior was starter Brian Gregory. Despite being injured for half the season, Brian led the team with 94 assists. Next year's team will also have the experience and ability of John Kelly and Most Improved Player Jim Risner. It was John Kelly's two free Throws with no seconds left that sent the Regional final into overtime.

This year's record of nine wins and eighteen losses was very deceiving. The Huskies can be proud of the many statistics they compiled. They were third in conference in free throw percentage, making 67% of their shots. Head Coach Don Rowley and J.V. Coach Ed O'Neill were very pleased with the attitude and determination of this year's team. They are looking forward to a successful season next year with many players returning.

Huskie pride, dedication and enthusiasm were the outstanding characteristics of the 1983-84 basketball cheerleading squads. The cheerleaders worked hard throughout the entire season. All three squads practiced once a week for two hours and learned new mounts and tricks which they displayed at various basketball games and pep assemblies.

The success of the season can be attributed to the excellent leadership provided by the captains and sponsors. The varsity co-captains were Wendy Erikson, Jim Park and Tony Walker. The captain of the J.V. squad was Krista Peterson and the captain of the freshman squad was Laurie Silverman. This year, the cheerleaders welcomed a new sponsor, Mr. Blim, in addition to veteran sponsor, Mr. R.J. Hannon. Both sponsors deserve many thanks for their dedication and support throughout the entire season.

Lady Huskies Build Foundation For New Tradition

Take it all the way Natalie Simons.

Sue Fogarty is on the move.

Chris Spiel hustles back on defense.

The 1983-84 Girls' Basketball Team, with a 4-19 record, showed true team effort and togetherness. With the team's new coach and new motto "Together We Can" they learned to fight for everything for each other, not for themselves. Coach Ann Penstone came to Hersey this year not with winning in mind, but with the thought of building a new tradition. This year's team was the foundation for the tradition of Lady Huskies to follow.

The team consisted of six seniors and seven juniors. Captains Sue Karnatz and Ann French as well as seniors Ann Boettcher, LeAnn Bieschke, Carol Golemo, and Susie Scaletta led juniors Natalie Simons, Lori Zelek, Peggy Meyer, Sue Fogarty, Ann Puetz, Michelle Alles, and Chris Spiel in the team's determination throughout the year.

In addition to experiencing a new coach, the team experienced working with a new player. Susie Scaletta was a special addition to this year's team. She came to Hersey her senior year and was placed in hearing impaired classes. Susie was born deaf and therefore the team had to learn to work with her handicap.

The team is really looking forward to next year's season. With seven returning juniors and many talented sophomores, the coach has bright expectations of her Lady Huskie team.

When asked about the season Coach Penstone commented, "We decided in the beginning of the season we would enjoy it, never give up, and always do it together. We did!" And when asked about the new coach the team replied, "We could not have done it without her! She is the best thing that ever happened to Hersey Girls' Basketball."

Boys' Swim Team Shows Spirit In '84 Season

Contributing to this year's Hersey athletic program was the Boys' Swim Team. The team consisted of five freshmen, twelve sophomores, one junior, and two seniors. Due to the lack of juniors and seniors, there was no Varsity team. The three upperclassmen who would have been on Varsity swam in exhibition meets. They also competed in the Varsity Conference and Sectional meets.

Junior Matt Rohloff took 7th in Conference in the 50 yard freestyle and 12th in the 100 yard butterfly. In the Sectional meet, Matt took 5th in the 50 yard freestyle setting a new school record. He was named the most outstanding swimmer by Coach Young.

The Frosh-Soph team ended their season with an overall record of 5 and 6. The team took 9th in the Frosh-Soph Conference meet. Diver Joe Nejman took 5th and Don Rubino, John Lewandowski, Bill Davis, and Scott Nieman took 5th in the freestyle relay. According to Coach Young, they all showed a lot of improvement throughout the season. He expects to be back next year with a strong Varsity and Frosh-Soph team.

The six girls that were on the varsity bowling team were Shawn Bennett, Dawn Meyer, Beth Rossi, Kim Westra, Jenny Wilkie, and Julie Wittenberg. The J.V. bowlers were Lisa Hordecky, Erin Murphy, Kim Roscoe, and Tracy Seddon.

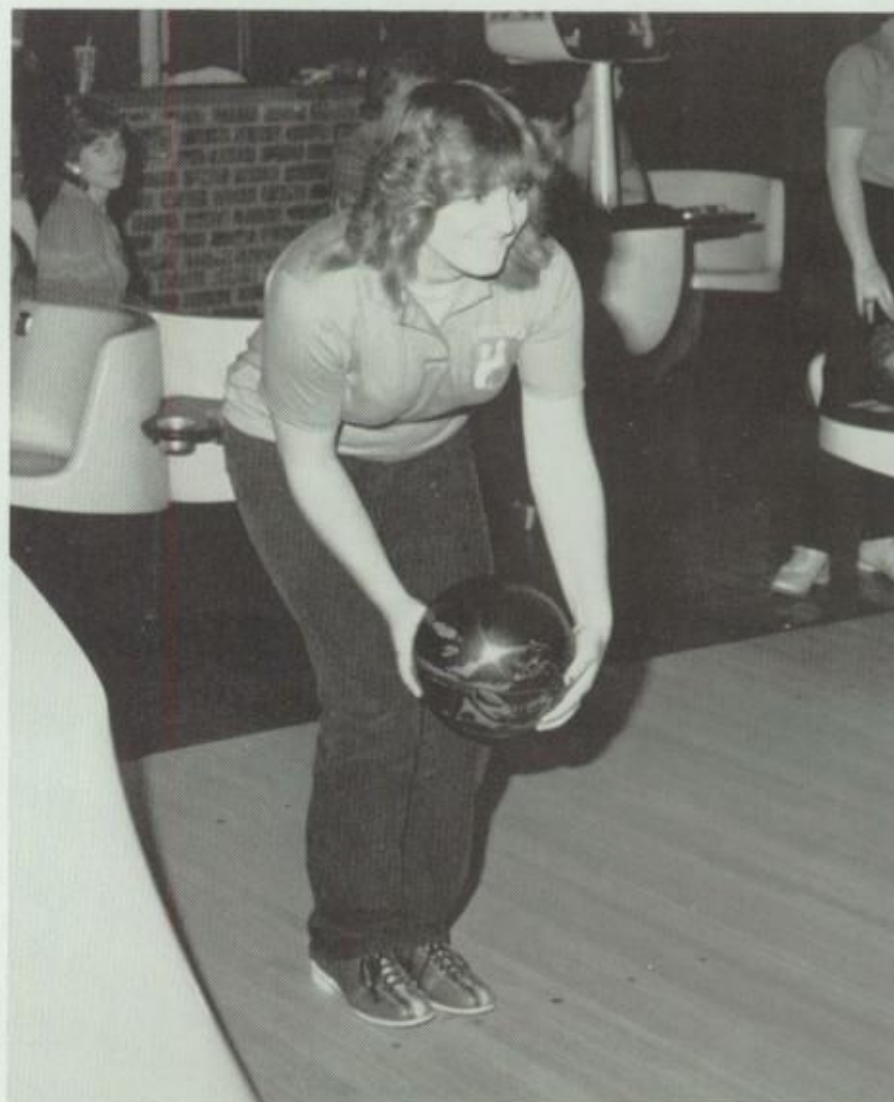

The team met on Tuesdays and Thursdays for practice, and their meets were held on Mondays and Fridays. The team suffered through a tough season, but they are all number one in Huskie determination.
